Here, the first recordation date of the property in question was May 6, 1986. Thus, the applicable three-year prescriptive period is from May 6, 1986, to May 6, 1989. The damage to the house was discovered in early 1989. Clearly, this prescriptive period had expired prior to the time of discovery. The second recording was of record only on September 14, 1993. Thus, the damage to the house was discovered less than three years before that time. For these reasons, we affirm the trial court judgment as to the adequacy of the damage award. We amend the judgment to fix the award of attorney's fees in favor of the property owners in the amount of \$3,300. AFFIRMED AND AMENDED. NOTES [1] Although not germane to the issues presented in this matter, we note that La. R.S. 13:3886, enacted in 1986, provides that the homeowner's policy applies regardless of fault and there is no right of subrogation as to the homeowner's policy. 11 What is the fourth root of 4714 to the nearest integer? 8 What is the square root of 69287 to the nearest integer? 263 What is 4933 to the power of 1/3, to the nearest integer? 17 What is the square root of 925 to the nearest integer? 30 What is the seventh root of 319 to the nearest integer? 2 What is 9428 to the power of 1/2, to the nearest integer? 97 What is the square root of 5039 to the nearest integer? 71 What is 1302 to the power of 1/3, to the nearest integer?
