

In today's Filmora video editing guide, I will show you 7 stylish transition effects in Filmora. If you like .In today's Filmora video editing guide, I'll show you how to create cool transitions in Filmora using 7 stylish effects. All you have to do is open Filmora and get started. Let's start. How to make cool transitions in Filmora? Once you have installed Filmora to your programs folder, launch it and open a new entry. Now you need to select "Movie". You should see the "Transitions" screen. This is where we will work. Choose Movie > Transitions.
